Dear Parent,

Following on from Parent Forum event last night, I am writing to invite you to become directly involved with both or either of the two parent groups associated with the school.

All parents are automatically members of the FSEC (Fetterangus School Events Committee). This group organises fund raising activities from which all the pupil benefit.

You are also invited to indicate below if you wish to serve on the Parent Council for the coming session. The first meeting will be within the next week or so. The main agenda item will be considering the improved approaches to Reporting introduced last night.

I hope you will consider participating in these groups as both contribute significantly to the running of the School and the experiences offered to your children. Existing Council members need not complete the form below and I will assume that you wish to continue on Council unless advised to the contrary.

Yours sincerely

J. W. Black
