### **Survey for the Consultation for the Rezoning of Mintlaw Primary School Network**

Dear Parents & Carers,

Aberdeenshire Council is going to be reviewing the catchment areas for some of the primary schools in the Mintlaw Network. Due to housing in Stuartfield and Mintlaw the schools we are focusing on are Stuartfield, Mintlaw Primary, Pitfour, Fetterangus and Longside. To help us do this we would like to gather information from current parents about any changes they think might be needed for the catchment area that they live in. We would be grateful if you could spend a few minutes completing an online survey following the link below. The survey will be open until Friday 23<sup>rd</sup> September.

Many thanks

Parents should note the following:

**An important point to stress is that any changes to catchment areas will not affect existing pupils. All children currently in your schools will be able to stay, even if they become out of zone; and their siblings would still be entitled to join them at the school.**

**I have uploaded this letter to the Letters section of the school website and the survey link can be accessed directly from there.**
