9th September 2016

Dear Parent,

Aberdeenshire Council, Education and Children's Services is carrying out a project to review the school catchment areas of primary schools across Aberdeenshire. The next network to be reviewed is Mintlaw and the particular school catchments are Fetterangus, Longside, Mintlaw Primary, Pitfour and Stuartfield.

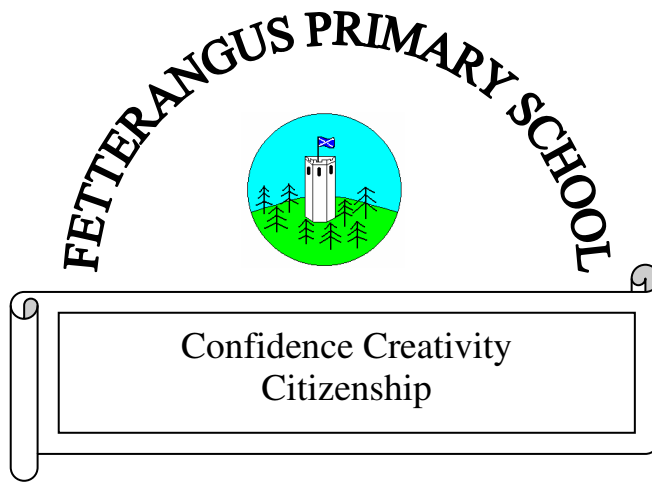

The next stage in the process is to share the potential changes with you, and to give you a chance to make further suggestions. To do this we are holding two public events, on Monday 19th September we will be at GP3 CLD Huts at Mintlaw Academy from 3 - 7.30pm and on Tuesday 20th September we will be at Stuartfield School Hall from 3-6pm. This will be a drop in session where you will be able to see maps showing our proposals and also discuss the changes face to face.

We would be grateful if you could put the attached poster on display for all your parents to view and spread the word as far as possible.

If you have any questions, please feel free to get in touch.

Kind regards

The Learning Estates Team
