17<sup>th</sup> August 2016

Dear Parents,

The outdoor matches for the Strathythan football league will be held on the following Saturdays at the Fetterangus field beside the cemetery. The sessions usually run from around 9.50 to 12.30. Please indicate if your child is available to play.

I would also be grateful if any parent / adult could indicate availability to assist with supervision of the squad on any of the Saturdays following the unexpected departure of the previous 'manager'. This will commit no one to anything other than the specified tasks on that day and we can discuss longer term football supervision provision in due course.

I will be available to assist on some of the days but any further assistance would be appreciated. No 'football' or team selection experience will be necessary – only an ability to ensure that the six players are all on the field and facing in the right direction at the start of each match!

Yours sincerely,

John W Black
